

ANNUAL REPORT

2024-25

Preface

The Annual Report 2024–25 of Vijaybhoomi University is a comprehensive account of our academic initiatives, institutional milestones, community engagement, and financial stewardship over the past year. This document has been thoughtfully compiled to provide our stakeholders - students, faculty, parents, alumni, industry partners, and regulatory bodies - with a transparent and holistic view of the university's progress.

In preparing this report, we have drawn upon contributions from all schools, departments, and functional units of the university. The data, narratives, and highlights presented herein reflect not only our academic and research achievements but also our cultural, social, and community-driven endeavours that form the fabric of life at Vijaybhoomi.

This compilation is the result of collective effort, and we extend our gratitude to the faculty, staff, and student contributors whose dedication has enabled us to present a document that truly represents the spirit of Vijaybhoomi.

We hope this report serves as both a record of our accomplishments and an inspiration for future growth, innovation, and collaboration as we continue our journey of nurturing holistic, socially responsible, and continuously employable professionals.

Publication of Report:

16th October, 2025

Compiled and Produced by:

Prof. Pravin Mishra, Dean, Vijaybhoomi School of Design

Ms. Vibha Sikhwal, Assistant Manager - Digital & Social Media Marketing

Mr. Govind Chauhan, Design Lab Assistant, School of Design

Mrs. Megha Katiyar, Admin, HR Manager & VC Office

About Vijaybhoomi University

Vijaybhoomi University, established in 2019 as India's first Liberal Professional University, continues to redefine higher education by integrating professional learning with a liberal framework. Anchored in the principles of the National Education Policy (NEP) 2020, the university's purpose is to nurture holistic, socially responsible, and continuously employable professionals who can thrive in a dynamic global environment.

The institutional structure is designed to foster multidisciplinary learning, enabling students to chart their own academic pathways through diverse majors and minors. Each school within Vijaybhoomi University contributes uniquely to this mission, offering programs that blend academic rigor, industry relevance, and experiential learning.

The Spirit of VIJAY

Value integrity and earn others' trust.

Innovate continuously and be agile.

Jettison fear of failure and learn from mistakes.

Appreciate your origins and build on them to be a good citizen.

Yield not to ethical shortcuts and be socially responsible.

This purpose-driven framework ensures that Vijaybhoomi University not only delivers academic excellence but also instills values of innovation, integrity, and social contribution in its graduates.

Mission

To Nurture Holistic, Socially Responsible and Continuously Employable Professionals

Vision

To be the most sought-after destination for Liberal Professional Education

Vijaybhoomi University - An Overview

Vijaybhoomi University is distinct in its approach to education, offering a range of programs across multiple disciplines. The university comprises of six schools, each dedicated to different fields of study, including: The True School of Music (TSM), Jagdish Sheth School of Management (JAGSoM), Vijaybhoomi School of Science and Technology (VSST), Vijaybhoomi School of Design, Vijaybhoomi School of Law and KEDGE Business School. This multidisciplinary framework enables students to curate their own curriculum, allowing them to tailor their educational experiences according to their interests and career aspirations.

List of Schools & Academic Programs

Jagdish Sheth School of Management (JAGSoM)

- Master of Business Administration (MBA)
- Bachelor of Business Administration (BBA)

KEDGE Business School

- International BBA
- International MBA

The True School of Music (TSM)

- Bachelor of Performing Arts (Music) with Majors in:
 - Contemporary Performance
 - Hindustani Playback Vocals
 - Hindustani Music
- Bachelor of Fine Arts (Music) Music Production
- Bachelor of Technology in Sound Engineering

Vijaybhoomi School of Science and Technology (VSST)

- Bachelor of Technology in Computer Science and Engineering
- Bachelor of Technology in Artificial Intelligence (AI)

Vijaybhoomi School of Design (VSoD)

- Bachelor of Design (B.Des) in Communication Design
- Bachelor of Design (B.Des) in UX Design

Vijaybhoomi School of Law (VSoL)

- Bachelor of Business Administration & Bachelor of Law (BBA LLB)

Executive Summary - Key Highlights

Convocation 2024-25

The **5th Convocation Ceremony** at Vijaybhoomi University was celebrated on **October 19, 2024**; with **Padma Shri Dr. Zahir Ishaq Kazi, President of Anjuman-I-Islam** gracing the event as the Chief Guest.

The **6th Convocation Ceremony** at Vijaybhoomi University was celebrated on **March 11, 2025**; with **Mr. Uday Deshpande - Padma Shree Awardee** gracing the occasion as the Chief Guest.

Jagdish Sheth School of Management (JAGSoM)

- JAGSoM Signed the MoU with University of Texas for Undergraduate International Pathway Exchange Program.
- Faculty achieved significant publication success, including 13 SCOPUS-listed journal publications (Dr. Arindam Ghosh: 11; Dr. Anirban Ghosh: 2) and research papers in UGC care journals.
- The highest stipend achieved was ₹85,000 for the MBA Batch and 5 students got final placement in above 15 Lakhs bracket.

Vijaybhoomi School of Science & Technology (VSST)

- Student enrollment in the B.Tech Computer Science (AI) program rose significantly in AY 2024 (53 students), reflecting the strong demand for this specialized program.
- VSST faculty and students worked on real-time Agentic AI models for e-Governance with the Government of Maharashtra's Tribal Development Department and the Revenue Department (Konkan).
- Collaborated with E-Cell, IIT Bombay, to host the national-level Hackathon, ELEVATE-2024, which garnered 1,450+ online registrations and 90,000+ impressions.
- Rahul Purohit, 2nd year student, secured 2nd position at the National-level Google Cloud Agentic AI Hackathon, winning a cash prize of ₹2,00,000.

- Kush Sheth, a student of VSST, successfully established his venture ProjektAnalytics Pvt. Ltd., secured incubation at NSRCEL, IIM Bangalore, and has already begun generating clients and revenue.
- Build Your Own Robots: A robotics workshop was conducted where participants designed, built, and programmed their own robots.

Vijaybhoomi School of Design (VSoD)

- School Of Design conducted a masterclass/workshop on 'D3.js Information Visualisation-data values to charts' on May 9, 2024.
- Dean of the Design School conducted a "Fine Arts Research" workshop in the Netherlands (August 2024), bringing international experience back to the school.
- 2 students from the final batch (100%) have converted their internship to PPOs (Pre-Placement Offers).

Vijaybhoomi School of Law (VSoL)

- Faculty published 10 scholarly works, including 5 papers in international/peer-reviewed journals.
- One final year student secured a placement as a Legal & Compliance Officer at Garuda Chala Pvt. Ltd. with a package of ₹8.5 LPA.

- Students held key leadership roles, including Student Council President (Adith Iyer) and Vice President, DORF (Riya Khedekar).
- Students completed 12 legal and social impact internships with organizations including Allahabad High Court, Bayer CropScience India, Civil Court, and various NGOs.
- Hosted visits from legal experts, including Dr. Jayita Moulick (Professor, Symbiosis Pune) and Dr. Amitabh Gawale (High Court Lawyer specializing in NDPS Act).
- One student of 4th year has founded a startup in the legal area - Rights-Guard, integrating AI with Intellectual Property Rights.
- Sound Engineering 3rd year student (Leon D'Souza) achieved 732.4K Monthly Listeners on spotify and Music Production 3rd year student Praagya Nandiwal gained 56.7K Monthly Listeners.
- Two students released their own soundtracks, and a student band was nominated in the IFP Rock Category.
- TSM representatives attended and participated in high-level industry events: All About Music Festival, India International Music Week 2025, Waves Summit, and PALM Expo 2025.

The True School of Music (TSM)

- Indo-Korean Songwriting Camp (KOLAB): Hosted the prestigious IPRS x KOMCA (Korean Music Copyright Association) songwriting camp, powered by TSM.
- Ashutosh Phatak from TSM won the Best OST Award for Freedom at Midnight at the Emmay Entertainment Awards (May 2025).
- One Faculty performed at the "Me'Gong Festival" in Meghalaya with Indus Creed and at "Some Place Else".
- Successfully held the flagship festival Jamrang 2025, headlining major artists Osho Jain and WISH.

Vijaybhoomi's Innovative Curriculum

Holistic Development

Personality Enhancement Program

- A special Mallakhamb Masterclass was conducted by Padma Shri Awardee and Mallakhamb Vishwa Guru, Shri Uday Vishwanath Deshpande on 10th March 2025 at the Sports Arena. This inspiring session introduced students to the ancient Indian sport of Mallakhamb, which blends strength, flexibility, balance, and focus.
- **Ranbhoomi 2024-2025**, the Annual Sports Carnival of Vijaybhoomi University, was held from 29th January to 3rd February 2025. The event brought together students from all programs in a week-long celebration of sportsmanship, athleticism, and team spirit. It featured four house teams (Mambas, Hawks, Sharks, Wolves) competing across 15+ indoor, outdoor, strength, and modern (E-Sports) games.
- Students competed in the Yuva Premium League (YPL) 2024 in Mumbai.

Research Incubation

- The Vijaybhoomi School of Science and Technology (VSST) demonstrated a strong research output with 9 publications/topics focused on Artificial Intelligence (AI), Machine Learning, IR Spectroscopy, and Electric Charging Station Placement.
- Endapalli Karthikeya (VSST student) published research on "Effective Use of AI Tools for Engineering and Management Education" in an IEEE Conference.

Industry Internship Program

- Most students across VSST, TSM, and JAGSoM are currently pursuing the long internship program with major companies, including Pfizer Products India, Tata Autocomp Systems Ltd, Jio Creative Labs, CalSoft Pvt Ltd, and various AI/Tech firms.

Vijaybhoomi's Innovative Curriculum

Social Initiatives

Kanyathon

- Kanyathon was honoured with the Faculty Excellence Award for Engagement and Impact by S.P. Jain Institute of Management and Research (SPJIMR), Mumbai, at the prestigious Social Impact Awards (SIA) and PRME Chapter India event on December 5th, 2024.
- Kanyathon was organized on 2nd March 2025 where 4000 registrations (including E-Gaming) were from Karjat Campus.

Social Immersion Program

- 104 students participated in the social immersion program in this academic year, partnering with 15 diverse NGOs.

FNF

- FNF 2024 (5th Edition) in the months of October-November featured over 45 teams from prestigious schools in Junior and Senior categories, with a prize pool of \$1,000 for winners and \$500 for runners-up.
- FNF 2025 (6th Edition) will debut a new Super Senior (undergraduate) category and increase the prize pool to ₹3.5 lakhs, underscoring its growing prestige.

Centre For Continuous Learning and Employability (CCLE)

- AidKriya Foundation: Developed an AI-powered donation management system using SARIMAX modeling (Machine Learning and UI/UX) as part of the Alterlighting Project (experiential learning).
- Vijaybhoomi University: Built a full-stack web application (React, Node.js) for the internal Personality Enhancement Program (PEP) as part of the Alterlighting Project (experiential learning).
- Total 11 guest sessions conducted as a part of FutureWorks series in the year 2024-25.
- TechManch 2025 - Students explored cutting-edge trends in AI-driven marketing, omnichannel strategies, and brand storytelling while engaging with industry leaders.
- The university's career success is evidenced by partnerships with major corporate brands and high-growth firms, including HDFC Bank, Wipro, Blackstone Group, Tech Mahindra, TATA Insights & Quants, Pfizer, Razorpay, UrbanClap (UC), etc.

Late Shri V. B. Padode

Founder, Vijaybhoomi University

Our Founder & Legacy

Late Shri V. B. Padode founded the **Dalal Street Investment Journal (DSIJ)** in 1986, a leading financial magazine with a loyal following of more than 150,000 readers. His remarkable journey as an accomplished journalist, educator, and entrepreneur earned him a reputation as a hard worker, solution seeker, meticulous analyst, and a fine human being. With over 25 years of experience in building top-class educational institutions in India, he established the IFIM Business School (now Jagdish Sheth School of Management) in Bangalore in 1995, the sixth business school in India to be awarded AACSB accreditation. The success of this institution, rated among the top 5% of global business schools, inspired the founding of Vijaybhoomi University, dedicated to propagating the "Spirit of Vijay" and its mission.

Message from the President

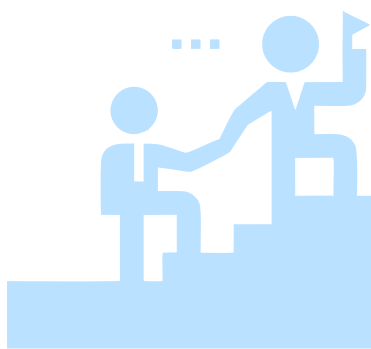

Shri Sanjay Padode

President, Vijaybhoomi University

"It is our faculty, students, staff, alumni, and a team of other individuals that embody excellence."

Being the president of Vijaybhoomi University is an immense privilege. Since my tenure began, I have come to realize that our faculty, students, staff, alumni, and numerous other individuals embody a dedication to excellence that propels this institution to remarkable heights. They conduct inquiries that address some of the most pressing challenges facing our society. Our students, pursuing academic goals across a diverse array of subjects, resonate with our core objective of liberal education. The implementation of our research culture has become a significant aspect of our institutional identity. Our extensive and active research ecosystem is adept at tackling pressing societal issues. As president, I am committed to reinforcing our position as a premier research institution that benefits our state, country, and the world. Soon, we will initiate a staged approach to accelerate scholarly and research activities across disciplines, empowering teams to effectively confront and resolve urgent global challenges."

Message from the Vice Chancellor

Dr. Ravikesh Srivastava

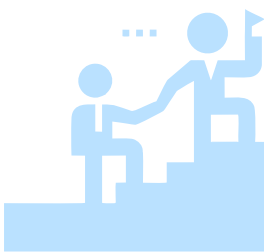

Vice Chancellor

At Vijaybhoomi University, we are committed to fostering an environment of academic excellence, innovation, and holistic development. Our institution stands as a beacon of learning, shaping future leaders who are equipped to navigate the ever-evolving global landscape. The mission of all our programs is to prepare our students to be life-long learners. The valuable contribution of our faculty towards the generation of knowledge, their dedication to providing par excellence learning eco-system, delivery of quality teaching, thoughtful mentoring ensure the future success of our students.

The exceptional vision of our President Shri Sanjay Padode and his outstanding leadership has helped the University to implement the strategic agenda focused on realizing the ambitious goals.

The development of new-age professionals for diverse roles in competitive organizations is the core purpose behind the genesis of Vijaybhoomi University. We benchmark our programs and processes with the best in class and continuously strive to exceed our targets. For us, excellence is a journey, not a destination.

As we move forward, our vision remains steadfast-to create an ecosystem that nurtures intellectual growth, ethical leadership, and social impact.

National Education Policy (NEP) 2020 Implementation

Vijaybhoomi University has been aligning its academic framework with the UGC and Maharashtra State guidelines for NEP 2020, including the Government Resolution dated 6th December 2022. The University resolved to implement NEP 2020 in letter and spirit from AY 2020-21. Key features implemented at Vijaybhoomi University, Karjat, include:

- Adoption of a flexible and multidisciplinary academic structure enabling students to design their learning pathways through combinations of major and minor disciplines.
- Introduction of Ability Enhancement, Skill Enhancement, Value-Added, and Practice-Based Courses that emphasize holistic development through initiatives such as the Personality Enhancement Program (PEP), Research Incubation (RI), Social Immersion Program (SIP), Effective Execution (EE), and Industry Internship Program (IIP).
- Implementation of the Academic Bank of Credits (ABC) to facilitate seamless credit accumulation and transfer, and updated upto 2025.
- Introduction of Multiple Entry and Exit Options, allowing students the flexibility to pursue education at their own pace and goals. A couple of students have also taken admission as lateral entry.
- Establishment of a Credit Transfer Policy to ensure smooth academic mobility across higher education institutions.
- Comprehensive Assessment Reforms focusing on continuous and formative evaluation rather than reliance on high-stakes examinations.
- Implementation of Criterion-Based Grading and Outcome-Based Education (OBE) across all programs to ensure measurable and competency-driven learning outcomes.

Dr. Kasturirangan, Chairman of the NEP 2020 Drafting Committee, visited the Vijaybhoomi University campus in 2023. He appreciated the University's distinctive model of integrating multiple schools within a holistic ecosystem and was deeply impressed by the diverse and multidisciplinary approach embedded in its curriculum.

University Status on NAAC

Vijaybhoomi University, Karjat, has approached to apply for NAAC accreditation, however because of change in the methodology we have been asked to wait till further notification. An Internal Quality Assurance Cell (IQAC) has been established, and the University is preparing to submit the Self-Study Report (SSR) as soon as the NAAC office releases new notifications.

Key Initiatives to Enhance Quality Education

Vijaybhoomi University is committed to providing holistic education that nurtures intellectual, emotional, physical, and ethical growth. With an interdisciplinary and experiential learning framework enriched by STEM education and strong industry collaborations, the University equips students with future-ready skills and an innovative mindset. Continuous curriculum enhancement and personality development initiatives further strengthen academic quality, fostering well-rounded, socially conscious leaders. Some of the key initiatives undertaken to enhance the quality of education include:

- **Liberal-Professional Curriculum** that blends broad-based learning with specialization to develop T-shaped professionals.
- **Experiential Learning:** Includes Research Incubation, Social Immersion Program, Industry Internships, and Personality Enhancement Programs.
- **Industry Engagement:** Masterclasses, live projects, expert sessions, and mentorship programs that connect students with real-world experiences.
- **Strategic Collaborations:** Sign MOUs with international universities for student exchange programs and provide advanced career and research opportunities to students.
- **Modern Campus:** Eco-friendly infrastructure, state-of-the-art labs, studios, libraries, and holistic residential facilities.
- **Accreditations & Recognition:** ASIC and UGC recognition, JAGSoM-AACSB accreditation, and QS Global Business Rankings 2025.
- **Scholarships & Support:** Full and partial fee waivers for meritorious students and girl students.
- **Vibrant Student Life:** Active clubs, annual fests, cultural and technical events, and emphasis on student well-being.
- **Student Feedback:** Taking students' feedback from time to time.

Sustainable Green Campus at Vijaybhoomi University

Vijaybhoomi University takes pride in its unwavering commitment to sustainability, exemplified by its lush and eco-friendly campus. Nestled amidst vibrant greenery, the university's sustainable initiatives encompass energy-efficient buildings, waste reduction programs, and a dedicated focus on renewable energy sources. This commitment to environmental responsibility ensures that the campus serves as a living example of harmonious coexistence with nature. Students are provided with not only a world-class education but also an inspiring and eco-conscious learning environment, fostering awareness and engagement with ecological issues.

Campus Infrastructure and Facilities

The campus of Vijaybhoomi University spans a total area of 166,586 sq. ft., featuring a meticulously designed infrastructure that supports a comprehensive educational experience. Below is an overview of the key facilities:

Section	Total Area (sq. ft.)	Facilities/Details
Total Built-up Area	166,586	
Administrative Block	5,810	Reception Area, Conference Room, 3 Trustee's Chambers, VS's office, Registrar Office, Administrative offices, Finance office, Meeting Room, Pantry, Restrooms
Faculty Block & Infirmary Block	6,036	2 Consultation Rooms, Nurse's Station, Common Ward, 5 Beds), 18 Faculty Cabin, 1 Conference Room, Restrooms
Academic Block 1	11,621	8 Classrooms (620 sq. ft. each), 2 Common Toilets for Girls, 2 Common Toilets for Boys, Electrical Room.
Academic Block 2	11,621	8 Classrooms (620 sq. ft. each), 2 Staff Rooms (Male & Female), Storeroom, Electrical Room, 4 Common Toilets for Staff.
Academic Block 4	11,621	4 Classrooms (620 sq. ft. each), Fabrication Lab, 2 Common Toilets for Girls, 2 Common Toilets for Boys, and Electrical Panel Room.
Work Studio	12,266	Computer Lab (1,948 sq. ft.), Staff Room, Library (1,377 sq. ft.), Chemistry Lab (1,045 sq. ft.), Biology Lab (1,230 sq. ft.), Physics Lab (1,230 sq. ft.), Composite Lab.
Library Block	12,266	Language Room, Special Education Room, Discussion Room, Auditorium (180 seats, 2,290 sq. ft.), Library (4,380 sq. ft.).
Revive (Multipurpose Sports Complex)	27,739	Multipurpose Sports Area (11,635 sq. ft.), 2 Squash Courts, Half Olympic Swimming Pool, Gymnasium (1,520 sq. ft.), Shooting Range.
Canteen & Kitchen	12,137	Dining Facilities, Kitchen Facilities.
Hostel 1	7,532	8 Rooms (4-sharing, 300 sq. ft. each), 1 BHK Staff Residence (450 sq. ft.), 2 Common Toilets (300 sq. ft.).
Hostel 2	7,532	9 Rooms (4-sharing, 300 sq. ft. each), 3 Rooms (2-sharing, 300 sq. ft. each, Handicapped-friendly), 2 Common Toilets (300 sq. ft.).
Block 3	7,532	Reception and Cloak Room, 5 MP (music production) labs and Toilets and Faculty Cabin -13 and office Staff Cubicle -16
Hostel 4	10,706	8 Rooms (4-sharing, 300 sq. ft. each), 2 BHK Principal/Warden/Director's Residence (1,075 sq. ft.), 2 Support Staff Rooms (300 sq. ft.), 2 Common Toilets (300 sq. ft.).
Hostel 5	10,706	13 Rooms (4-sharing, 300 sq. ft. each), 4 Rooms (2-sharing, 300 sq. ft. each, Handicapped-friendly), 2 Common Toilets (300 sq. ft.).
Hostel 6	10,706	4 Rooms (5-sharing, 450 sq. ft. each), 2 Rooms (4-sharing, 300 sq. ft. each), 2 Rooms (3-sharing, 300 sq. ft. each), 4 1BHK Staff Residences (450 sq. ft.), Recreation Room.
Utility Areas	753	Main Electrical Room, Security Guard Rooms, Pump Room.

Revive Sports Complex: More than a sports facility, Revive blends physical vitality with artistic energy. It allows students to engage in athletic activities and promotes a balanced lifestyle, fostering both fitness and artistic development.

Patented Air-Conditioned Hostels: Each student enjoys a thoughtfully designed, air-conditioned living unit with a comfortable bed, ample storage, and a dedicated study area, ensuring a peaceful and conducive environment for academic success.

Multi-Cuisine Dining Centre: Managed by Sodexo, the dining centre prioritizes student health and nutrition, offering hygienic and wholesome meals.

Infirmary: A fully equipped infirmary with 24/7 doctor and nurse support ensures prompt medical care. Essential medicines, wheelchairs, and anti-venoms are available, with government hospitals and clinics within 3 km for emergencies.

Laboratories

- **Fabrication Lab (FAB Lab):** Supports prototyping and innovation.
- **Engineering & Auto Mechanic Labs:** Provide hands-on engineering and mechanical experience.
- **Computer Lab:** Supports programming and computational research.

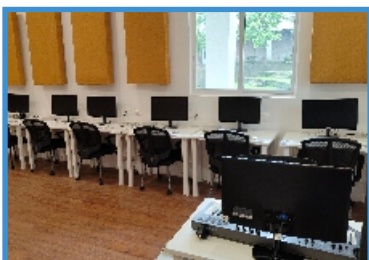

The True School of Music (TSM)

- 2 Music Production Labs for high-quality music production.
- 5 Multi-purpose Rooms for individual and group practice.
- Studio (Control Room) for professional sound engineering.
- Live Room for recording sessions.

Science Laboratories

- **Physics Lab:** Experiments exploring fundamental principles.
- **Chemistry Lab:** Facilitates chemical experiments.

Vijaybhoomi School of Design

- **Design Lab:** Fosters creativity and innovation.

Admissions Overview

2024-25

The total number of students who applied and were admitted to various programs offered by the five schools of Vijaybhoomi University is summarized below:

Admissions 2024-25				
School Name	Program Name	Total number of Applications	Total No. of Students	Students from Maharashtra
Vijaybhoomi School of Science & Technology (VSST)	Bachelor of Technology in Computer Science and Engineering	197	37	28
	Bachelor of Technology in Artificial Intelligence (AI)	69	16	12
The True School of Music (TSM)	Bachelor of Music in Contemporary Performance	5	5	3
	Bachelor of Music in Music Production	63	17	11
	Bachelor of Technology in Sound Engineering	10	4	2
	Bachelor of Music in Hindustani Playback Vocals	4	4	4
Jagdish Sheth School of Management (JAGSoM)	MBA	199	35	7
	BBA	133	7	3
Vijaybhoomi School of Design (VSoD)	Bachelor of Design (B.Des) in Communication Design	13	4	4
Vijaybhoomi School of Law (VSoL)	B.B.A- L.L.B.	20	5	3
Total		713	134	77

Out of the 134 admitted students, 77 were from Maharashtra, and 36 were female.

Vijaybhoomi University is committed to providing opportunities to students from downtrodden and underrepresented communities, ensuring access to quality education for all sections of society. The table below presents the category and gender-wise distribution of the total admissions: -

Admissions 2024-25			
Category-wise No. of students			
Category	Male	Female	Total
SC	4	1	5
ST	3	1	4
OBC	31	13	44
PH	0	0	0
General	60	21	81
Total	98	36	134

Fee Structure

2024-25

The following table provides the tuition fees and duration of the various programs offered in 2024–25.

Schools	Program	Duration	Fee Per Year (Indian INR)	Total Program Tuition Fee (Indian INR)
Vijaybhoomi School of Science & Technology (VSST)	Bachelor of Technology in Computer Science and Engineering	4 Years	400000	1600000
	Bachelor of Technology in Artificial Intelligence (AI)	4 Years	400000	1600000
Jagdish Sheth School of Management (JAGSoM)	MBA	2 Years	400000	800000
	BBA (Honours)	4 Years	400000	1600000
	Integrated MBA	3+2 Years	400000	2000000
	International BBA	2+ 2 Year	400000	1600000
	International MBA	1+1 Year	400000	800000
Vijaybhoomi School of Law (VSoL)	B.B.A-L.L.B.	5 Years	400000	2000000
Vijaybhoomi School of Design (VSoD)	Bachelor of Design (B.Des) in Communication Design	4 Years	400000	1600000
	Bachelor of Design (B.Des) in Communication Design & UX Design	4 Years	400000	1600000
The True School of Music (TSM)	BPA (Music) Contemporary Performance	4 Years	400000	1600000
	BPA (Music) Hindustani Playback Vocals	4 Years	400000	1600000
	BPA (Music) Hindustani Music	4 Years	400000	1600000
	BFA (Music) Music Production	4 Years	400000	1600000
	B.Tech in Sound Engineering	4 Years	400000	1600000

Hostel & Other Fee

The hostel fee, inclusive of food, is ₹15,000 per month. Additionally, there is a one-time fee of ₹10,000 for the Vijaybhoomi Alumni Association and a one-time contribution of ₹5,000 towards the Student Council Fund.

Note:

1. US Dollar (USD) exchange rate is considered at Rs. 89. The per credit fee may change depending on the prevailing exchange rate at the time of admission.
2. Students are awarded 5 free credits every year upon completing 40 credits.

Scholarships

Vijaybhoomi University is committed to supporting students from economically disadvantaged backgrounds by providing scholarships and financial assistance. We create equal opportunities for learning and growth, empowering these students to excel academically and become confident contributors to society. Through our inclusive approach, we ensure that education remains accessible and transformative for all.

Scholarship Amount for FY.24-25

(School Wise Allocation)

S.No.	School Name	Amount
1	DESIGN	₹ 18,65,500
2	JAGSOM	₹ 31,04,167
3	LAW	₹ 16,65,000
4	TSM	₹ 24,30,000
5	VSST	₹ 89,45,500
Grand Total		₹ 1,80,10,167

Types of Scholarships

Please find below the various types of scholarships offered in FY 2024-25 and their amount breakup:

Types of Scholarships	Amount (INR)
100% EWS Scholarship	1,13,19,167
25%-60% Deans Merit Scholarship	38,46,000
30% Special Tuition Waiver	3,20,000
50% TrailBlazer Scholarship	8,00,000
Defense Scholarship	2,00,000
Kanyathon	3,25,000
Performance Scholarship	10,00,000
Sports Scholarship	2,00,000
Grand Total	1,80,10,167

Faculty Profile

Vijaybhoomi University takes pride in its distinguished faculty, drawn from premier institutions such as the IIMs, IITs, and leading global universities/industries. Our faculty community comprises eminent academicians, researchers, and industry professionals, bringing over three decades of teaching and industry experience. Representing the Schools of Management, Law, Design, Science & Technology, and Music, they seamlessly integrate academic rigor with practical insights to provide a contemporary and engaging learning experience. Their unwavering commitment to excellence, innovation, and mentorship continues to shape students into competent, ethical, and future-ready professionals.

Please refer to **Annexure 1** for the complete list of faculties across all Schools, including their qualifications, experience, and areas of specialization.

Overview of the School

Jagdish Sheth School of Management (JAGSoM), operating under the Center for Development Education, is one of India's pioneering AACSB-accredited business schools. It offers a range of globally recognized programs, including BBA (Hons), Integrated MBA, MBA, International BBA, and International MBA, across multiple campuses. With opportunities for specialization in areas such as Branding & Advertising, Marketing, Finance, and Data Science & Business Analytics; JAGSoM equips students with professional acumen, global exposure, and a holistic learning experience. Under the leadership of Padma Bhushan awardee Professor Jagdish Sheth, the school continues to advance excellence in management education.

Message from the Dean

Dr. Anirrbhan Ghosh

Associate Dean

Led by visionary leaders, JAGSoM continues to set benchmarks in business education. Among the first ten Indian business schools to receive AACSB accreditation, it pioneered the "One institution, multiple campuses" model, offering PGDM and MBA programs across two AACSB-accredited campuses.

Strategic collaborations with **KEDGE Business School (France)**, **University at Albany (SUNY)**, and **HSLU Switzerland** continue to enrich student learning and international exposure. JAGSoM remains committed to innovation, future-ready education, and shaping leaders who make a global impact.

The past year has been transformative, with milestones in academic excellence, global collaborations, and industry recognition. Looking ahead, JAGSoM remains dedicated to innovation, future-ready learning, and international engagement, shaping leaders who will make a global impact. We thank our stakeholders for their continued support and look forward to building on this momentum.

Dr. Anirrbhan Ghosh

Professor & Associate Dean

Jagdish Sheth School of Management

Global Collaborations

JAGSoM has established strong collaborations with globally reputed institutions, including KEDGE Business School (France), University at Albany (State University of New York, USA), and McCoy College of Business (Texas State University, USA), reaffirming its commitment to delivering world-class business education. These partnerships provide students with invaluable global exposure, cross-cultural learning experiences, and opportunities to study in diverse international environments.

Through its partnership with KEDGE Business School, JAGSoM offers two distinctive international programs:

- International BBA - Students complete the first two years at JAGSoM's Mumbai campus and the final two years at KEDGE Business School in France.
- International MBA - Students pursue the first year at the Mumbai campus and the second year in France.

Global & Domestic Ranking

JAGSoM is today among the 15 leading Indian B-schools that are AACSB accredited and feature in the QS Rankings.

Business Today- MDRA B-school India Rankings 2024

- Overall - Ranked 26th position - Retained the same position as 2023
- Learning Experience - Ranked 7th Position - Moved up from 14th in 2023
- Future Orientation- Ranked 9th Position - Moved up from 10th in 2023

- Ranked 6th among emerging BBA institutes by Times of India Survey 2024.
- QS Masters Global Ranking 2025
- 101+ Band for Marketing and Business Analytics Programs
- 151+ Band for PGDM Finance.

Institutional & Academic Developments

Signed the MoU with University of Texas for Undergraduate International Pathway Exchange Program.

Faculty Achievements

- Faculties published high-impact, SCOPUS-listed journals and research papers in UGC care.
- Dr. Anirban Ghosh - 2 Scopus Publications, 2 research papers
- Dr. Arindam Ghosh -11 Scopus Publications
- Prof. Anurag Khare -1 Scopus book chapter, 2 research papers in UGC care

Masterclasses

- Masterclass on Brands that Lead: Crafting movements to influence & inspire change by Ms. Shilpa Gadhok (Ex P&G, Ex Hershey) on 3rd February,2025.
- Masterclass on understanding the Fundamentals of Corporate Finance by Mr. Dayesh Angle-Seasoned Finance Leader (Ex IBM) on 23rd January,2025.
- Masterclass on Global Financial Markets: Opportunities & Challenges by Mr. Jasneet Singh- Country Director, CISI India on 12th December,2024.

- Masterclass on Seven Essential Traits for Career in Management by Prof. Uma Narain - Retired Prof. in General Management, SPJIMR on 24th January, 2025.

Internship & Placement Statistics

MBA

Internship: JAGSoM's MBA students participated in a wide-ranging summer internship program that underscored practical learning and career readiness.

Top Companies: Razorpay, DSJ Keep Learning, Tata Insight & Quants, HostIndia Events and Marketing, Meer Enterprises.

The highest stipend achieved was ₹25,000; 81% of internships were paid, reflecting strong industry valuation of student talent.

IIPs with Stipend

Placement – Out of 32 students 12 students were placed in the 6Lakhs-10Lakhs Bracket, 15 students in the 10Lakhs-15Lakhs Bracket, and 5 students above 15Lakhs.

Top Recruiters: HDFC Bank, Aditya Birla Group, Classic Legends, HostIndia Events, GoKwik.

BBA

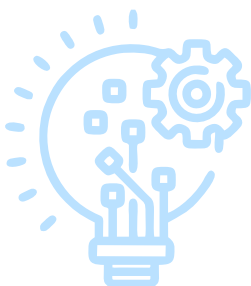

Internship: Highest stipend received 10K.

Placement: Average CTC : ₹400,000; most roles were "PPO" (Pre-Placement Offer) conversions based on internship performance. Placement Roles: Management Trainee (MT)

Vijaybhoomi School of Science and Technology

Overview of the School

Established to provide cutting-edge education, the **Vijaybhoomi School of Science and Technology (VSST)** integrates scientific exploration, technological innovation, and interdisciplinary learning. The school offers **4-year B.Tech programs in Computer Science & Engineering (CSE)** and **Artificial Intelligence (AI)**, each spanning 160 credits, designed to equip students with strong theoretical foundations, practical skills, creativity, ethical responsibility, and a global perspective to thrive in today's rapidly evolving industries.

SCHOOL OF
SCIENCE &
TECHNOLOGY

Message from the Dean

Dr. Salur Srikant Patnaik

Associate Professor & Assistant Dean

It is with pride that we reflect on a year of academic excellence, innovation, and industry engagement at the Vijaybhoomi School of Science and Technology (VSST). Record admissions in B.Tech Computer Science & Engineering (CSE) and Artificial Intelligence (AI) highlight growing global demand. Our curriculum combines strong theoretical foundations with applied skills, emphasizing design thinking, innovation, and problem-solving.

Students achieved distinction in national and international competitions. Faculty and student collaborations produced impactful projects like Aidkriya (AI platform for NGOs) and Ganesha Robo (AI, IoT, and robotics system).

Our first graduating batch achieved 100% placements, with over 70% securing paid internships, reflecting our commitment to producing industry-ready graduates. Moving forward, we aim to further strengthen research, innovation, and technological leadership, building ethical and transformative solutions.

Dr. Salur Srikant Patnaik

Associate Professor & Assistant Dean
Vijaybhoomi School of Science and
Technology

Student Achievements

- KrishnaSai from 3rd year, has got a remote paid internship opportunity to work with one of the BAYER Pharma company Manager.
- Two students from the 3rd year participated in an Idea Hackathon at Parul University. At the national level, out of 250 groups, they secured a place in the top 15 and became finalists.
- A 2nd year student from VSST, has secured a paid internship for 3 months at SSIT Pvt. Ltd. as a Data Analyst.
- VSST 2023 batch students (Varun Patro and Rudra Somaiya), along with VSST 2022 batch students (Deepika Ambade and Shivam), participated in a national-level Hackathon on EDA and Predictions using ML Models, with around 460 teams competing nationwide. The team secured a top 10 position and reached the final round, proudly representing VSST, Vijaybhoomi University at IIIT Nagpur.
- Santosh (VSST 2021 batch) represented VSST, Vijaybhoomi University at the India Game Developer's Conference in Hyderabad. The event was sponsored by the Ministry of Information and

Broadcasting, Government of India, Google Cloud, and AWS.

- Rahul Purohit (2nd year student) secured 2nd place at the National-level Google Cloud Agentic AI Hackathon, winning a cash prize of ₹2,00,000.
- Kush Sheth has been successful in establishing his venture ProjektAnalytics Pvt Ltd, along with a reliable team, securing incubation status at the prestigious NSRCEL, at IIM Bangalore. They have already secured clients and revenue.

Hackathons & Competitions

National level Hackathon, ELEVATE'24

- Vijaybhoomi School of Science and Technology, Vijaybhoomi - Entrepreneurship Cell, in collaboration with E-Cell, IIT Bombay via the Unstop platform, organized ELEVATE-2024.
- The event received over 90,000 impressions along with a staggering 1,450+ online registrations at the national level.
- On 8th December 2024, we welcomed the participating teams to our Karjat campus, where they witnessed an exciting and high-energy hackathon. ELEVATE-2024 garnered such an

overwhelming national response due to its engaging event themes and thought-provoking problem statements that were truly worth experiencing.

Real Time Projects

- 1.The VSST, VU faculty and student team worked on building Agentic AI models for e-Governance for the Tribal Development Department, Government of Maharashtra.
- 2.The VSST, VU faculty and student team worked on building Agentic AI models for e-Governance for the Revenue Department, Divisional Commissioner's Office, Konkan, Government of Maharashtra.
- 3.VSST, VU faculty have submitted four project proposals to DRDO, which are currently under scrutiny. These projects are expected to commence from the Festive Term 2025.

Workshops & Masterclasses

- Build your own Robots : A robotics workshop was conducted where

participants designed, built, and programmed their own robots.

- Masterclass conducted by VSST Faculties on "How AI is reshaping Jobs"?
- Masterclass on "Storytelling with Data".
- Webinar on Artificial Intelligence Domain 2025.
- Masterclass on AI Unplugged.

Internship and Placement Statistics

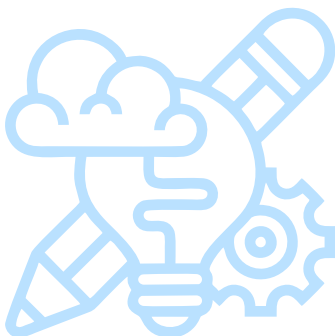

The 2024 graduated batch of Bachelor of Technology in Artificial Intelligence students has found career success across multiple avenues. They now hold key positions in various industries, proving to be indispensable to their employers. Their major designations include Data Engineer, Data Science Executive, Junior Analyst, Product Developer, Software Development Engineer, AI/ML Engineer, Machine Learning Engineer etc.

Vijaybhoomi School of Design

Overview of the School

Vijaybhoomi School of Design (VSD) nurtures the next generation of creative leaders, combining traditional design principles with cutting-edge technologies such as AI, virtual reality, and digital fabrication. The school emphasizes design thinking and user-centered methodologies, encouraging interdisciplinary exploration across engineering, business, and social sciences. Through experiential learning, real-world projects, internships, and studio work, students develop innovative and sustainable solutions. VSoD offers undergraduate programs in **Communication Design** and **UX Design**, preparing graduates to excel in the evolving design landscape.

SCHOOL OF
DESIGN

Message from the Dean

Prof. Pravin Mishra

Professor & Dean

At Vijaybhoomi School of Design, we see design education as a journey of exploration. Communication Design is an ever-evolving discipline that draws from literature, psychology, history, science, and technology. With Artificial Intelligence and Data Science transforming industries, we continuously refine our curriculum to stay ahead and prepare students for a future shaped by these advances.

But education is not just about curriculum. It is about industry connection, real-world exposure, and nurturing young minds with passion and purpose. Recently, we personally reached out to schools across India—from Shillong and Guwahati, to Delhi, Gurgaon, Noida, and North Bengal towns like Siliguri, Kalimpong, Mirik, and Darjeeling—to discover talent that can grow into future design leaders. This journey of outreach will continue across other regions.

At Vijaybhoomi, we champion multi-disciplinary and inter-disciplinary learning. Our upcoming programs that integrate design with management and technology reflect the growing industry demand for professionals who can bridge domains and think across boundaries.

The anchor of all that we do, however, is Discovery. Every student begins by exploring diverse disciplines, expert guidance, tools, and techniques before choosing their path. Discovery is our promise—because at Vijaybhoomi, a student learns what they love, and loves what they learn.

Prof. Pravin Mishra

Professor & Dean

Vijaybhoomi School of Design

Institutional & Academic Developments

- Receipt of a copyright for **'The Typeface Block Puzzle Installation'**- a work registered with the Intellectual Property India office.

Student Achievements

- Students proposed 3D model of the Installation to create an educational, creative and challenging experience by engaging the user with the fundamental structures of typography.

Low-Key Prototype of the Concept for the Explanation and for the financial approval from the Vice Chancellor was designed by the students.

Workshops & Masterclasses

- Board Game Design Workshop by a visual communication designer from the industry.
- Calligraphy workshop conducted by Mr. Yogesh Jahagirdar from the industry.
- Dean of the School Conducted a Finearts Research workshop at Netherlands in August, 2024.
- School Of Design conducted a master class on 'D3.js Information Visualisation- data values to charts' on May 9, 2024.

This master class was facilitated by Mr Omkar Puranik, from Industry.

The session addressed introduction to Javascript, introduction to JQuery, injecting d3.js into a webpage, understanding data structure, plotting data values into charts, and changing chart colours to suit webpage.

- School of Design Conducted a workshop for prospective students from SIA (Sareeta's Institute of Arts).

Internship & Placement Statistics

- Bhushan Surve
Chronos Lights, Mumbai
Stipend – INR 15K
- Saurav Ghorpade
DSJKeep Learning, Bangalore
Stipend – INR 10K

100% students converted their internship to PPOs (Pre-Placement Offers), extended based on students' exceptional internship performance, confirming full-time positions even before graduation.

Vijaybhoomi School of Law

Overview of the School

Vijaybhoomi School of Law (VSL) offers a unique BBA-LLB program, awarding two degrees: an AACSB-accredited BBA from Jagdish Sheth School of Management (JAGSoM) after the business coursework, and a BCI-accredited **BBA-LLB** upon completion of the five-year law program. The program provides a three-year exit option, international pathways to earn a BBA from a partner university, and the flexibility to combine legal studies with courses in design, management, AI, data science, humanities, and music. The curriculum emphasizes contemporary areas such as **Entertainment Law, Intellectual Property Law, Law & Technology**, and **Legal Entrepreneurship**, while business courses are delivered by JAGSoM, a globally ranked business school.

SCHOOL OF
LAW

Message from the Dean

Prof. Nitesh Kumar

In-charge Dean

Vijaybhoomi School of Law offers a transformative five-year BBA-LLB program that blends Management and Law, preparing students to become competent, compassionate, and socially responsible legal professionals. With a strong foundation in legal principles, critical thinking, and practical skills, students can also choose electives across other schools, making the program holistic and interdisciplinary.

The school emphasizes experiential learning through internships, clerkships, moot courts, legal clinics, seminars, and workshops, while

maintaining strong ties with law firms, corporates, and government agencies. Supported by exceptional faculty, cutting-edge facilities, and vibrant campus life, VSoL fosters intellectual curiosity, collaboration, and professional growth, equipping students for success in India and globally.

Prof. Nitesh Kumar

In-charge Dean

- Marital Rape - Act of Dominance Over Consent, paper presented at National

Conference, Mumbai University; published in a University-affiliated college journal (Mar 2025).

Student Achievements

The major student achievements across academics, leadership, internships, social impact, and entrepreneurship are highlighted below:

1. Riya Khedekar

- Elected Vice President, Department of Residential and Facilities (DORF), Vijaybhoomi University (2024).
- Awarded Best Female Speaker in debate on "Is India Ready for Same-Sex Marriage?".

Internships:

- Bayer CropScience India - Research Intern (Jun 2024).
- Lawful Legal Online - Contract Drafter, M&A Department (Jul 2025).
- Yusuf Meherally Centre (SIP) - Social Impact Project (May 2025).

2. Adith Iyer

- Student Council President (2024–25); established governance frameworks and student engagement policies.
- Chairperson/CXO for flagship events- ForNotFor and Kanyathon (2022–25 editions).
- Led JAMRANG 25, the University's first intercollegiate festival (2025).
- Speaker at GLC Chatra Sansad (2024).
- Founder of RightsGuard, a startup integrating AI with Intellectual Property Rights (2025-ongoing).

3. Nandita Dubey

- Internship at Allahabad High Court - Court proceedings and legal drafting (2024).
- Internship at AGISS Research Institute - Legal research and policy analysis (2024).

4. Shritika Dubey

- **Published an article:** The Death Penalty: Exploring Gender Dynamics and Women's Perspectives in 2024.
- **Legal Internships:** Vintage Legal (1 month, 2024); under Sr. Advocate Mr. Anoop Trivedi, Allahabad High Court (1 month, 2024).

One final year student has been placed as a Legal & Compliance Officer at Garuda Chala Pvt. Ltd. with a package of ₹8.5 LPA.

Distinguished Visits

Dr. Jayita Moulick, Professor, School of Law, Symbiosis Pune and Dr. Amitabh Gawale, High Court Lawyer with expertise in the Narcotic Drugs and Psychotropic Substances Act (NDPS).

Workshops & Masterclasses

- Guest session by Prof. Nithin Rajeev on 29th April 2024 on the topic "Changing Dimensions of Copyright Law in India."
- Session by Prof. Chandra Mohan, Faculty, IFIM Law School, on 12th August 2024 on "The Byju's Case: An Interesting Confluence of Corporate and Insolvency Laws."
- Guest lecture by Prof. Rima Hore on 26th August 2024 on the topic "Tracing the Evolution of Women's Property Rights in India."

Competitions

- Participated in the NMMC - National Moot Court Competition 2025 at IFIM Law College.
- Represented the School of Law in the Parliamentary Debate Competition 2025 at Christ University, Lavasa.

Overview of the School

The True School of Music (TSM) is India's leading contemporary music school, offering specialized programs in music performance, Hindustani vocals, music production, and sound engineering. Its practice-driven curriculum blends theoretical knowledge with **hands-on experience**, enabling students to **master performance techniques, vocal and instrumental skills, recording, composition, and production**. TSM equips students for diverse careers in the music, entertainment, film, and digital industries, fostering creativity, technical expertise, and industry readiness.

Message from the Dean

Prof. Vinay Prabhakar

Professor & Dean

In 2025, The True School of Music (TSM) strengthened its position as India's premier contemporary music school, marked by student, faculty, and alumni achievements. Students and alumni excelled with original releases, IFP nominations, and placements at Tips, OmGrown Studios, Sound & Vision Studios, and with composers like Ram Sampath and Sunny MR.

Faculty projects featured on Amazon Prime, SonyLiv, and live circuits, while masterclasses by global leaders such as Mayur Puri enriched learning. Industry collaborations included Texas State

University exchanges, All About Music panels, India International Music Week, Waves Summit, and PALM Expo, alongside initiatives like the IPRS-KOMCA KOLAB Songwriting Camp connecting Indian and South Korean artists.

TSM remains committed to rigorous academics, cutting-edge facilities, and strong industry integration, fostering creativity, innovation, and global impact in music education.

Prof. Vinay Prabhakar

Dean, The True School of Music

Global Collaborations

IPRS x KOMCA - KOLAB - Indo Korean Songwriting Camp - Powered by True School of Music and Hosted by Vijaybhoomi University.

Faculty Accomplishments

- A TSM faculty Performed at **"Someplace Else"** in Mumbai in Sep,24.

- A TSM faculty performed with **Indus Creed** at **Me'Gong Festival** in **Meghalaya** on 30th November,2024.

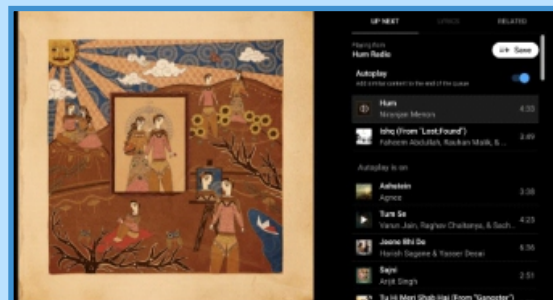

- Ashutosh Phatak** from TSM got **Best OST Award - Freedom at Midnight - Emmay Entertainment** in May,25.

Student Achievements

- A music production student (Niranjan Menon) released song "Hum".

- A 1st year student (**Gurman Singh Kohli**) released a new track, **'Khwahish'** which is trending on major streaming platforms.

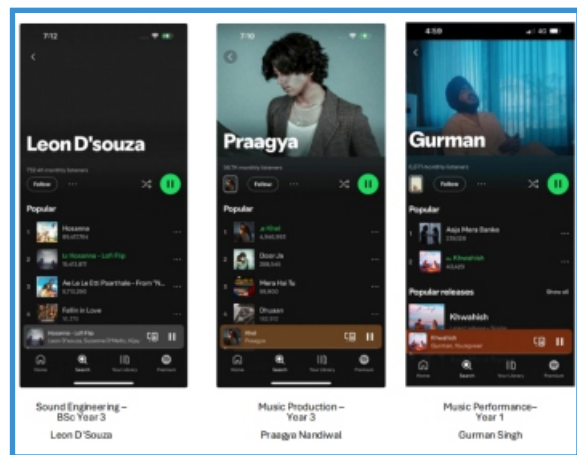

- TSM Student band nominated for **IFP Rock Category**.

- **Shayne Gomes (TSM Alumni)** released song – **The Crying Blues** on 14th July, 2024.

- **Leon D'Souza** Sound Engineering -BSc 3rd year student has **732.4K Monthly Listeners**.
- **Praagya Nandiwal** -Music Production, 3rd Year Student has 56.7K Monthly Listeners.
- **Gurman Singh**- Music Performance 1st Year Student has 6,571 Monthly Listeners.
- **Niranjan Menon**-Music Production student has 5,416 Monthly Listeners.

- TSM Student Band **“Engima”** Performed at the **Serendipity Arts Festival Goa 2024** on 19th December.

Cultural Programmes

Jamrang 2025: The flagship festival of TSM, featured major artists including **Osho Jain** and **WISH**.

Industry Partnerships & Collaborations

- Participation in All About Music Festival and India International Music Week industry panels.
- TSM represented at Waves - the world's first Audio-Visual summit and PALM Expo.

Distinguished Visits

Dr. Pranesh Aswath-Provost of Texas State University along with **Dean of College of Fine Arts Dr. John Fleming** visited VU on 3rd April, 25 and engaged in interactions with the TSM team on Masters pathways for TSM students.

Workshops & Masterclasses

Prof. Pranjali Tare conducted an Interactive Masterclass on Ragas & Indian Film Music and Jasrangi - An Indian Harmony on 9th July, 2024.

- **Dhanashree Pandit** conducted a Performance Workshop on **The Thumri Story** on 26th July, 2024.

- **Mr. Mayur Puri & Ms. Rumpa Banerjee** from **Indian Performing Right Society Limited (IPRS)** conducted a Masterclass on **Challenges as a Creator in today's age - A Professionals Guide to Success** in the Creative Field on 9th November, 2024.
- **Hiya Gupta** from industry (Madverse Music) conducted a workshop on **Rising Role of Tech in Fan Engagement and Music Marketing** on 22nd November, 2024.

- **Dr. Vilina Patra & Saiprasad Panchal** (acclaimed musician & vocalist) conducted a Performance Workshop on Jasrangi - A Harmonious Confluence of Two Raags on 5 Feb,25.

Conferences & Seminars

The TSM founder attended the **All About Music Conference, India's premier B2B event** for the music industry. The conference brings together creators, industry leaders, and key decision-makers who shape the sound and future of the nation's music landscape. It also serves as a platform for global executives to engage with one of the world's fastest growing and most dynamic music markets.

The Founder and Dean of TSM attended the **India International Music Week 2025**, a week-long convergence of music, business networking, and global cultural exchange.

Palm Expo 2025- a premier trade show for pro audio, video, lighting, and AV technology attended by the Dean and faculties of the True School of Music.

Holistic Development

Personality Enhancement Program (PEP)

The Personality Enhancement Program (PEP) at Vijaybhoomi University aims to foster holistic development in students by focusing on physical, emotional, social, intellectual, and mental well-being. This initiative aligns with the university's mission to cultivate socially responsible professionals and reflects global trends highlighted in the World Economic Forum's 2023 Skills Report. Essential Competencies Developed in PEP are- Communication, Empathy, Critical Thinking, Problem Solving, Negotiation, Leadership, Teamwork and Professional Readiness.

Program Structure

PEP is structured around two key areas: Lifestyle & Lifeskill.

Each component is designed to enhance critical competencies such as fitness, sleep, nutrition, and mental health. The program operates across various settings, including classrooms, residences, cafeterias, and outdoor activities, all of which influence the overall Holistic Personality Score. This score evaluates student behaviour, discipline, and quality of life.

Faculty Members

Lifestyle: Mr. Bhupendra, Mr. Omkar and Mr. Rinu Babu are key faculty members in this category.

Lifeskill: Mr. Shayne Gomes

Sports Events

The academic year 2024-2025 at Vijaybhoomi University was marked by a vibrant calendar of sports and fitness activities aimed at promoting holistic development among students. From competitive tournaments to wellness-oriented treks and masterclasses, the university provided diverse platforms for students to engage in physical activity, teamwork, leadership, and community interaction. These events were designed not only to enhance athletic skills but also to instill values such as discipline, resilience, sportsmanship, and social responsibility. With strong student participation and initiative, the sports program this year created lasting experiences and meaningful impact.

- The Badminton Tournament took place on 18th July, 2024. In the Men's Doubles category, Eishan and Honey emerged as the winners. In the Women's Doubles category, winners were Shritika and Tripti. And in the Mixed Doubles, the winning pair was Shritika and Eishan.

- Kho Kho Tournament was held on 31st July, 2024.

- Tug of War Competition took place on 21st August, 2024. The event turned out to be one of the most exciting and inclusive moments of the sports calendar. The winning team emerged under the captaincy of Honey Singh, showcasing exceptional coordination and team effort.
- Volleyball Tournament held on 31st August, 2024.

- Dodgeball Match took place on 17th September, 2024.
- The Yuva Premium League (YPL) 2024 was a prestigious inter-institutional sports event held in Mumbai, featuring competitive events in volleyball.
- The Fit India Sports Week was conducted in December 2024 as part of the university's ongoing commitment to promoting physical fitness and an active lifestyle among students and staff.

- Cricket Tournament between the students and staff of Vijaybhoomi University. The friendly yet competitive match encouraged bonding and mutual respect between students and faculty.

- A special Mallakhamb Masterclass was conducted by Padma Shri Awardee and Mallakhamb Vishwa Guru, Shri Uday Vishwanath Deshpande on 10th March 2025 at the Sports Arena. This inspiring session introduced students to the ancient Indian sport of Mallakhamb, which blends strength, flexibility, balance, and focus.

Outbound Leadership Labs (OLL)

The Outbound Leadership Labs (OLL) test was conducted on 8th October 2024 for the MBA 2024 batch. The session aimed to assess and enhance students' leadership qualities, teamwork, decision-making, and problem-solving skills through a series of structured outdoor activities.

A Nature Trek was organized on 25th October 2024 for the students of Vijaybhoomi University. The trek offered students a refreshing escape from routine, allowing them to breathe fresh air, connect with natural surroundings, and experience the beauty of the outdoors.

Ranbhoomi 2024-2025 Annual Sports Competition

Ranbhoomi 2024-2025, the Annual Sports Carnival of Vijaybhoomi University, was held from 29th January to 3rd February 2025. The event brought together students from all programs in a week-long celebration of sportsmanship, athleticism, and team spirit.

The event was organized and conducted by the Student Council and the DOSSA Committee, under the expert guidance of the Fitness Instructor, ensuring the event was structured, safe, and enjoyable for all participants.

Students competed under four house teams - Mambas, Hawks, Sharks, and Wolves - across a variety of sports, including:

- Outdoor Sports: Football, Cricket, Track & Field.
- Indoor Games: Volleyball, Basketball, Badminton, Table Tennis, Squash, Carrom, Chess, Pickleball.
- Strength Events: Bench Press, Arm Wrestling.
- Recreational & Modern Sports: E-Sports (FIFA).

Each house included both boys' and girls' teams, allowing for gender-inclusive competition across all events.

Sports Facilities

Outdoor

- Football Field
- Volleyball Court
- Swimming Pool
- Horse Riding

Indoor

- Basketball Court
- Badminton Courts (2)
- Tennis Court
- Squash Court
- Table Tennis
- Gym

Effective Execution

Effective Execution (EE) is a structured, 3-credit practice course designed to enhance students' administrative and leadership skills through hands-on experience and reflective learning. The course provides a robust platform for students to engage in activities that develop both personal and professional capabilities, making it a core component of their educational journey. The academic cycle from July 2024 to May 2025 was marked by significant milestones, with student leaders actively participating across diverse committees.

Objectives

EE is designed to strengthen students' administrative expertise by immersing them in real world scenarios. Through a combination of action-based learning, observation, and reflective practices, students gain practical knowledge that prepares them for leadership roles in the future.

Core Learning Strategies

The EE course emphasizes on a blend of practical learning strategies, including:

Doing - Engaging in direct hands-on tasks to develop essential skills.

Observing - Learning through careful observation of processes and decision-making practices.

Reflecting - Reflecting on the actions taken and the outcomes to foster personal and professional growth.

EE Committees

- Residence and Food Committee (DORF)
- Sports Committee
- MarCom Committee
- Cultural Committee

Research Incubation

Overview

The Research Incubation (RI) program at Vijaybhoomi University is designed to equip students with critical thinking and problem-solving skills. It fosters research-oriented thinking, enabling students to thrive and innovate in today's fast-changing business and technical environment. The RI program is offered in every alternate term (i.e., the Colours and Festival terms). In a 3-year UG program, students can register for an RI course after completing one and a half years and 60 credits. For 4 and 5-year UG programs, students can register after completing two years and 80 credits.

Objectives

1. To encourage the students to develop the knowledge, attitudes, and skills to be lifelong, self-directed learners.

2. To help students acquire the knowledge and skills to complete the components of a research project including:

a. Identification of a challenging problem or an area of research. b. Teamwork. c. Participation in data collection, analysis, and interpretation. d. Application of appropriate methods to arrive at and interpret the results. e. Oral dissemination of research information. f. Written dissemination of research information.

3. To train students to evaluate the relative effectiveness of alternative solutions for addressing the problem(s).

School-wise Key Research Contributions (Research Incubation Center)

School	Research Topic
VSST	"Effective Use of AI Tools for Engineering and Management Education for Experiential Learning
	Exploring Business Use Cases of Explainable AI and Causal AI in the Machine Learning Lifecycle for Enhanced Business Decision-Making
	Optimal Placement of Electric Charging station
	Deconvolution of FTIR Spectrogram using Fourier Self-Deconvolution
	Adaptive Denoising and Feature Extraction for IR Spectroscopy Using Denoising Autoencoder
	Grey Relational Analysis: A Comprehensive Study into its applications in Artificial Intelligence
	Enhancing Chatbot Performance with Fine-Tuning and RAG
	RAG-Based Framework for Operational Risk Identification in Indian IT Companies
	Large Language Models: Implication in Literature and Finance
JAGSoM	Solar Panel Installations in the bottom-of-the Pyramid Market: Key issues associated with sustainability
Design	How does globalization affect education Locally and globally in terms of technology, policy, and curriculum?

Industry Internship Program (IIP)

Overview

The Industry Internship Program is an essential practice course for all students at Vijaybhoomi University, regardless of their degree program. The program bridges classroom learning with practical, actionable application in the industry through internships. During the internship, students gain knowledge of corporate structures and business operations.

Objectives

The key objectives of the Industry Internship Program include:

- Understanding corporate structure and professional etiquette.
- Visualizing situations in the context of problems defined by the organization.
- Articulating problems appropriately within the organizational context.
- Formally defining problems, evaluating alternatives, and recommending feasible solutions that satisfy all stakeholders and functional areas.

- Implementing, presenting, and defending solutions both orally and in writing.
- Applying classroom learnings in real-world industry settings.

Curriculum Integration

The Industry Internship Program is delivered as a 10-credit practice course, pursued in two parts:

- A 2-credit (1.5-month) short internship during one of the summer breaks after the Colours Terms (generally in the 2nd or 3rd Colours Term of a 4-year degree).
- An 8-credit, 6-month internship (on-the-job training) following the completion of all other curricular requirements, serving as the final course in the student's academic journey at Vijaybhoomi University. This internship typically constitutes the last two terms of a 4-year degree.

Startup Initiatives

Kush Sheth (B.Tech AI, 2021–2025), along with his team, launched ProjektAnalytics Pvt. Ltd. under the prestigious startup incubation program at NSRCEL, IIM Bangalore. The company has reported its first revenue figures and is serving multiple clients both in India and abroad. ProjektAnalytics focuses on providing data-driven insights to enterprises, with a special emphasis on explainability.

Outcomes and Impact

The students who are currently pursuing the long industry internship program, mentored by the various faculty members, are:

School	Student Name	Faculty Guide	Company Name
VSST	Divina Komal Dcunha	Dr Thejus Kartha	DSJ Keep Learning Ltd
	Mann Ajay Kurani	Dr Ajit Mohanty	CalSoft Pvt Ltd
	Sai Aditya Lakkum	Dr Thejus Kartha	Jaaji Software Technologies Pvt Ltd
	Santhosh B	Dr Thejus Kartha	Abhi Tech Games
	Ujwal Singh	Dr Ajit Mohanty	Pfizer Products India Pvt Ltd
	Ishaan Ghosh	Dr Thejus Kartha	Sprouts Software Technologies
	Endapalli Karthikeya	Dr Ajit Mohanty	Sorigin AMS Pvt Ltd
	Nitish Krishna Thota	Dr Thejus Kartha	Prabodh Technologies
	Karnel Barua	Dr Ajit Mohanty	ANYTHINGAI CYBER PVT LTD

Student Council 2024-25

The Student Council Election for 2024-25 involved several key activities. Nomination forms were submitted online by August 12, 2024. The screening of candidates took place on August 14, 2024, conducted by a faculty panel. Campaigning occurred from August 15 to 20, 2024. Votes were cast online on August 22, 2024, and the results were declared on August 26, 2024.

Position	Name
President	Adith Iyer
Secretary	Tripti Mishra
Treasurer	Karthikeya

Vijaybhoomi University: Student Council 2024-2025

Social Responsibility

Mrs. Kalpana Padode

Joint MD, Community &
Social Responsibility

KANYATHON

Kanyathon is a student-led initiative that was started in 2011 by JAGSoM and IFIM Institutions and later joined by Vijaybhoomi University, with the primary objective of supporting and empowering underprivileged girls in India. The term “Kanya” translates to “girl” in English, and the event centers around a marathon aimed at raising awareness and funds to support various projects that improve the lives of girls. Over the years, Kanyathon has grown significantly, becoming integrated into the student curriculum and fostering a strong sense of social responsibility among students.

Mission and Vision

The primary goal of Kanyathon is to empower girls through education, health, and community development initiatives. The vision is to create a sustainable model that addresses gender inequality and promotes the holistic development of girls from underprivileged backgrounds. The mission of Kanyathon is to empower women and girls, and we are achieving this through our own digital literacy center, Kanyathon Shiksha Kendra (KSK), which educates and empowers young women in rural areas.

Student & Curriculum Integration

Kanyathon is a credit-based initiative seamlessly integrated into the academic curriculum, where students' performance is assessed based on how effectively they execute their CXO-level roles such as President, Vice President, Marketing Head, Operations Manager, and Finance Head. MBA students manage Kanyathon as their capstone project, while undergraduates

contribute through their compulsory 'Negotiation Skills' course. This structure provides hands-on experience that not only instills social responsibility but also enhances employability, as students gain practical expertise in leadership, negotiation, project management, and corporate communication- skills that prepare them to excel in professional environments.

Achievement

Kanyathon was honoured with the **Faculty Excellence Award for Engagement and Impact** by **S.P. Jain Institute of Management and Research (SPJIMR), Mumbai**, at the prestigious **Social Impact Awards (SIA)** and **PRME Chapter India event** on 5th December 2024. Hosted by the DoCC department of SPJIMR, the event featured a keynote address by Mr. Bezwada Wilson, Ramon Magsaysay Awardee and founder of the Safai Karmachari Andolan. In recognition of its outstanding contributions, the international jury ranked Kanyathon #1 for its remarkable social impact and community engagement.

KANYATHON 2025

Kanyathon 2025 was held on 2nd March (Sunday), with a total of 13,000 registrations, including E-Gaming participants (Bangalore: 9,000 | Karjat: 4,000).

14th Edition – Electronic City, Bangalore

Sponsored : Big Basket

Power-packed Zumba session

Activities: 10KM & 5KM Pro Run, 3KM Family Run & Fun Walk, E-Gaming

4th Edition – Posari, Karjat

Sponsored: Mahendra Thorve Foundation

Special Highlight: Blood Donation Camp

Activities: 10KM & 5KM Fun Run, 3KM Walkathon, E-Gaming

Funds Raised

Karjat

Revenue:
₹8,21,172

Expenses:
₹5,68,261

Surplus:
₹2,52,911

Bangalore

Revenue:
₹60,80,338

Expenses:
₹25,67,492

Surplus:
₹35,12,846

Total Surplus: ₹37,65,757/-

Initiatives	Current (2024-2025)	Goal (2025-2026)
Scholarships (Meritorious Girls)	9 students	10 Students
Education - Daughters of Red Light Areas	15 Girls	20 Girls
Kanyathon Shiksha Kendras (KSKs)	5 Kendras	Infrastructural and Curriculum Improvements in existing Kendras
NGO Collaborations	4 (Mumbai Smiles, Sparsh, Mahendra Thorve Foundation, and Rotary Bravehearts)	Increase partnerships

KANYATHON:

Impact from 2024 to Date

- **Educational Sponsorships:** Awarded scholarships worth over ₹15 lakhs, supporting 9 girls from disadvantaged backgrounds to pursue higher education in reputed institutions like IFIM College and Vijaybhoomi University.
- **Support for Daughters of Commercial Sex Workers:** Expanded support from 7 to 15 daughters of commercial sex workers in Mumbai and Pune, ensuring their access to quality education and a brighter future.
- **Kanyathon Shiksha Kendras (KSKs):** Established 5 digital learning hubs in government schools, benefiting 300+ students with English and computer literacy training.
- **Menstrual Hygiene Awareness:** Distributed reusable sanitary napkins to 500 girls and organized health sessions, empowering them with knowledge and sustainable hygiene practices.
- **Mid-Day Meal Sponsorship:** Partnered with Akshaya Patra Foundation and ELCIA Trust to provide a year of nutritious mid-day meals to students at a KSK in Bangalore.
- **Stationery Donation:** Supplied educational resources to Adivasi children and KSK students, nurturing creativity and supporting their academic growth.
- **Computer Donation:** Equipped Wilson School and KSKs with computers, enabling digital literacy and practical technology training for underserved students.
- **Sustainability Initiatives:** Promoted eco-friendly practices by planting trees under the Plant4Guru campaign and distributing steel water bottles to reduce single-use plastic.
- **Summer Camp:** Kanyathon hosted a one-month free summer camp (20th May,25 - 20th June,25) for 20 girls from Jambrung and nearby villages, offering activities such as sports, art, English communication, Canva training, and health sessions. The camp aimed to enhance their skills, creativity, and confidence while fostering overall growth.

Social Immersion Program (SIP)

The Social Immersion Programme (SIP) is a unique initiative designed to integrate academic learning with real-world experiences in social contexts. It involves collaboration between educational institutions, community organizations, and businesses to provide students with hands-on learning and community engagement opportunities.

Students should complete 40 credits of coursework at the University or attend two full terms of study to be eligible for SIP program. SIP must be completed before enrolling in any other practice courses.

Objectives

- Sensitize students to social issues, community development, and sustainable business practices.
- Develop critical thinking, problem-solving, teamwork, and communication skills.
- Foster social responsibility and ethical leadership.
- Establish long-term partnerships between the academic institution and community organizations.

Activities Undertaken

This year's Social Immersion Program provided a unique and impactful opportunity for 104 students to step beyond the classroom and apply their skills in real-world settings. Partnering with 15 different nongovernmental organizations (NGOs), the

program not only offered students a firsthand look at the critical work being carried out in various communities but also enabled them to provide valuable support to these organizations in their core daily functions. Each group was accompanied by a faculty mentor and received periodic supervision from the SIP Chair and Co-Chair.

Partner NGOs

1. Aamcha Ghar, Mumbai,
2. Akshar Paaul, Pune
3. Community Development Center (CDC), Mumbai
4. Dharavi Dream Project, Mumbai
5. Dharma Bharati Mission INDIA (DBM), Mumbai
6. Light of Life Trust, Mumbai
7. Lighthouse, Pune
8. Manovikas School for the Mentally Challenged, Pune
9. Narvreeta Foundation, Lucknow
10. Samagra Foundation, Nashik
11. Sanjivani NGO, Pune
12. Sarv Saarthi, Gurgaon
13. Seva in Action, Bangalore
14. Talent4Nation, Pune
15. Yusuf Meherally, Navi Mumbai (Panvel)

Key Achievements & Impact

Through the Social Immersion Program 2024-25, our students created a significant and multi-dimensional impact that went beyond volunteering to include community mobilization, educational enhancement, and organizational support. Their contributions can be summarized across three core areas:

- Grassroots Community Engagement: Students conducted over 100 daily calls and door-to-door visits, mobilizing villagers for health camps and NGO initiatives. Their persistence built trust and strengthened community participation.

- Educational and Creative Development: They enriched learning environments by creating visual aids, charts, and counseling kits-translated into local languages-that addressed emotional well-being, career guidance, and inclusive education.

- Organizational and Strategic Support: Students enhanced NGOs' long-term sustainability by developing websites, producing videos, and documenting success stories to expand outreach and visibility.

For Not For (FNF) Debate Competition

Overview

For Not For (FNF) is an annual flagship debate competition hosted by Vijaybhoomi University to foster critical thinking, articulate expression, and a liberal mindset among young learners. Aligned with the United Nations' Sustainable Development Goals (SDGs), the competition engages participants in thought-provoking discussions on global issues, encouraging respectful exchange of diverse perspectives. Till 2024, FNF was an international inter-school debate competition; from 2025 onwards, it has evolved into a full-fledged international debate competition, opening its platform to a wider range of participants.

Purpose

FNF aims to provide a platform for youth to deliberate on pressing global challenges, promoting free and open expression of thought while building awareness around the value of liberal education.

Format & Scope

FNF follows an international-style debate format, typically conducted in a hybrid model-with preliminary rounds held online and final rounds hosted at the Vijaybhoomi University campus. The event attracts participation from reputed national and international institutions and is judged by distinguished academics and professionals.

Initium

In the run-up to the main event, Vijaybhoomi University hosts Initium, a preparatory program featuring workshops and training sessions to help participants refine their debating skills, boost confidence, and develop deeper insights into the topics.

FNF 2024 - 5th Edition Highlights

The 2024 edition marked the 5th edition of FNF in the months of October-November, featuring two categories-Senior (Grades 11 & 12) and Junior (Grades 9 & 10)-with over 45 teams from prestigious schools across India. The winners were awarded \$1,000 each and the runners-up \$500 each in both categories.

FNF 2024 winners

S.No.	School	Name	Category	Rank	Amount
1	Birla School, Pilani	Yashvardhan Singh	Senior	1st Runner-up	Rs. 22,500
2	Birla School, Pilani	Adit Upadhyay	Senior	1st Runner-up	Rs. 22,500
3	JBCN Borivali School	Pranaya Jain	Junior	1st Runner-up	Rs. 22,500
4	JBCN Borivali School	Khushi Raste	Junior	1st Runner-up	Rs. 22,500
5	Cambridge Court World School, Jaipur	Saanvi Prakash	Junior	Winner	Rs. 42,500
6	Cambridge Court World School, Jaipur	Meemansa Jain	Junior	Winner	Rs. 42,500
7	Cambridge Court World School, Jaipur	Nancy Uppal	Senior	Winner	Rs. 42,500
8	Cambridge Court World School, Jaipur	Bhavini Khandelwal	Senior	Winner	Rs. 42,500

Looking Ahead – FNF 2025 (6th Edition)

Building on the success of its 5th edition, FNF 2025 will mark the 6th edition and its debut as a full-scale international debate, now open to a wider audience with the new Super Senior (undergraduate) category. The prize pool has been raised to ₹3.5 lakhs, underscoring the competition's growing prestige and commitment to rewarding debating excellence.

Centre for Continuous Learning & Employability (CCLE)

CCLE is designed to empower students for successful careers through multi-track development, industry engagement, and mentorship initiatives. Core components include:

MiracleX Mentoring:

The MiracleX Mentoring Program paired students with industry professionals, leading to personalized guidance and the creation of Individual Development Plans (IDPs). The initiative boosted confidence, aligned skills with industry needs, and reinforced CCLE's commitment to holistic student development.

Alterlighting Projects

CCLE students undertook diverse Alterlighting projects, applying academic knowledge to real-world challenges while creating value for partner organizations and enhancing their own skills.

- **AidKriya Foundation:** Developed an AI-powered donation management system with SARIMAX modeling and a user-friendly interface, improving NGO resource allocation and building expertise in machine learning and UI development.

- **Simulanis:** Led market research, content strategies, and SEO initiatives, boosting brand visibility and translating analytics into business growth.
- **Apex Byte:** Designed web interfaces and digital assets, honing skills in Adobe, Figma, data analytics, and UI/UX to link creative design with data-driven insights.
- **Vijaybhoomi University:** Built a full-stack web application for the Personality Enhancement Program (PEP) using React, Node.js, and database integration, strengthening technical and collaborative skills.

FutureWorks Series

Monthly expert sessions - in-person and online - involving guest speakers from diverse domains. Attendance is mandatory and integrated into placement eligibility.

Major Guest Sessions conducted in 2024-2025 are below:

Topic	Guest Speaker
Big Data Unveiled: From Raw Data to Predictive Insights	Mr. Adit Agarwal, NoQs Digital
Decoding the Thrills & Risks of becoming a CEO	Mr. Leenesh Singh, StartupsExchange
Unpacking Life Of Data Engineer	Mr. Shrikant Agarwal, Techmint
Questioning and Contextualizing your Education, Life, and Career	Mr. Ram Bupathiraju, Culture Coffee Curdrice
Elevate Your Skills-Join the Advanced Excel Session	Mr. Ambarish Tarte, MS Expert
Corporate to Campus	Mr. Aniket Joshi, JP Morgan Chase
Claim Your Creativity: The IP Edge for Entrepreneurs and Scholars	Ms. Jyoti Chouhan, Gujarat Fluorochemicals Limited
Challenges as a Creator in today's age- A Professional's Guide to Success in the Creative Field	Mr. Mayur Puri, Entrepreneur
Challenges as a Creator in today's age- A Professional's Guide to Success in the Creative Field	Ms. Rumpa Banerjee, IPRS
Elevate Their Profiles	Mr. Atish Bhalerao, TrainingInBox
Learnings @Life School	Ms. Aparna Sharma, Independent Director

Major Industry Events/ Panel Discussions

Topic	Speakers
Transitioning from School To College	Dr. Ravikesh Srivastava, Mr. Rao Ashwini Kumar, Ms. Hiral Shah, Mr.Sharang Raj, Mr. Vineet Gupta
Eureka Business Model Competition	Mr. Sundara Rajan, Mr. Sanjay Tripathy, Mr. Vibhu Jain
Workforce Roundtable : Emerging Recruitment Trends	Ms. Supriya Sawant, Mr. Rakesh Ebrahimpurkar, Mr. Dhruv Anand, Mr.Joy Banerjee
Workforce Roundtable : Preparing Jobs For Future	Mr. Prasad Joshi, Ms. Shikha Dey Dutta, Mr. Avneesh Amin, Mr. Anupam Sarkar

XploreOut : Industry Visits

As part of the XploreOut initiative, Vijaybhoomi University students undertake monthly field visits to companies for immersive experiences and networking.

- At TechManch 2025, students explored cutting-edge trends in AI-driven marketing, omnichannel strategies, and brand storytelling while engaging with industry leaders.

- At Fino Payments Bank, students gained insights into recruitment processes, modern talent strategies, and HR practices through hands-on training. These experiences bridged classroom learning with industry realities, enriching students' professional outlook and skills.

FutureConnect

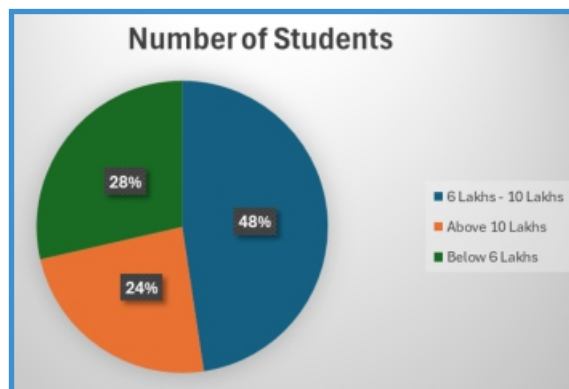

FutureConnect assists students in transitioning from academia to professional careers through industry internships and final placements. It provides hands-on experience and connects students with potential employers, ensuring a smooth and successful career launch. Expert workshops are conducted with national and international experts from India, Texas, and France, offering students valuable global exposure. The Placement Program also includes training sessions focused on Group Discussion and Personal Interview (GDPI) techniques, along with comprehensive internship and placement support.

The highest CTC secured by a student stood at INR 18 Lakhs.

The distribution of starting CTC among placed students is as follows:

48% of students were placed in the INR 6–10 Lakhs bracket, while 24% secured offers above the INR 10 Lakhs bracket.

For detailed information on student placements, including specialization, IIP company, and placement details, please refer to Annexure 4.

Career Achievements

Students from the Batch of 2024-2025 achieved commendable placements with reputed organizations such as HDFC Bank, Razorpay, Wipro, Aditya Birla, Tech Mahindra, Pfizer, Tata AMC, Tips Music, Swirl Music etc. Around 52% of students successfully converted their Industry Internship Program (IIP) into final placements, reflecting strong industry connect and academic excellence.

Employer Who Trust Our Graduates

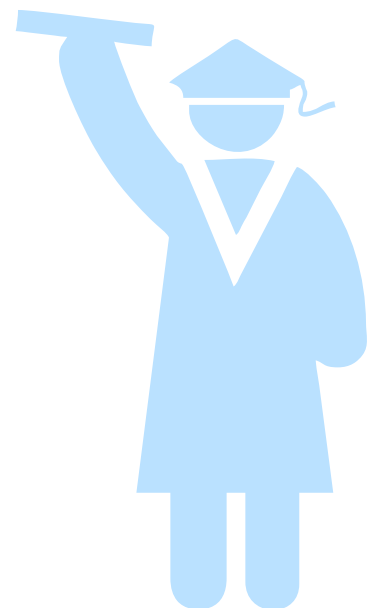

Convocation 2024-25

The **5th Convocation Ceremony** was held on October 19, 2024, with **Padma Shri Dr. Zahir Ishaq Kazi** as the Chief Guest, where 52 students graduated, including both UG and PG students across all schools.

The **6th Convocation Ceremony** was held on March 11, 2025, with **Mr. Uday Deshpande, Padma Shri Awardee**, as the Chief Guest, where 16 students graduated.

The **7th Convocation Ceremony** at Vijaybhoomi University will be held on October 16, 2025 where a total of 45 UG students and 29 PG students are expected to graduate.
